-1-

Serial No. 09/803,999

claim 1 and claim 10 depends from claim 9. Duggal et al. and Nakamura et al. are cited as teaching claim elements that are unrelated to the deficiencies of Vriens with respect to claims 1 and 9. Claims 2, 8, and 10 are thus allowable over the combinations cited for at least the same reasons that claims 1 and 9 are allowable over Vriens.

Applicant thanks the Examiner for allowing claims 14, 16, 17, and 21.

Applicant respectfully requests allowance of all pending claims. Should the Examiner have any questions, the Examiner is invited to call the undersigned at (408) 382-0480.

Certification of Facsimile Transmission

I hereby certify that this paper is being facsimile transmitted to the U.S. Patent and Trademark Office on the date shown below.
